

HOW CAN YOU HELP?

CHEYENNE SOCCER ASSOCIATION

➔ BECOME A BOARD MEMBER

CSA is a volunteer organization that continues to seek quality individuals to serve on the CSA board and to lead one of the regions premier youth sports associations.

➔ VOLUNTEER

CSA relies on over 300 volunteers each season to help CSA run smoothly. We seek individuals to be coaches, team parents, field supervisors, and to serve on committees.

➔ SPONSORSHIPS

CSA is a non-profit organization striving to provide quality soccer opportunities for minimal cost to our members. Through our sponsorship program, you or your company's tax deductible contribution can help keep costs of participation to a minimum, to develop more soccer fields and expand other CSA programs and activities.

Sponsorship Levels

Club Sponsors: \$1000 & up/YR

Team Sponsors: \$200/team/YR

Scholarship Sponsors: \$50/YR

Contact CSA to learn about our sponsorship benefits and advertising opportunities.

MISSION STATEMENT

Cheyenne Soccer Association

(CSA) is a volunteer organization designed to promote youth soccer in Cheyenne and nearby areas. In doing so, CSA attempts to help develop the youth of Cheyenne into valuable citizens by promoting teamwork, discipline and a positive attitude. CSA also attempts to educate adults and parents about the aspects of soccer through coaching, refereeing and learning the sport.

HISTORY

CSA was formed in 1978 and had about 60 players. Since that time the organization has grown into the largest organized youth sporting organization in Wyoming with approximately 1500 players. CSA is a purely recreational league, stressing the enjoyment of playing soccer and the learning of the game. From CSA was formed the Cheyenne Sting competitive club, with many CSA players going on to play competitively in that club.

PROGRAMS & ACTIVITIES

Youth Recreational Soccer

CSA's recreational program is designed to provide a safe and enjoyable experience for children between 4 and 18 years of age.

This non-competitive league with over 1500 participants emphasizes the enjoyment of the game. Participants that regularly attend practice play at least 1/2 of each game. Spring season starts in early Apr. and goes through the end of May. Fall seasons begins in late Aug. and lasts through mid-Oct. Game days are typically on Saturday mornings.

Youth Developmental Soccer

REC PLUS is a recently organized CSA developmental soccer program that provides soccer opportunities beyond the recreational program, and better prepares kids for competitive soccer. Teams travel and play within the Wyoming State League. Over 60 kids are currently participating in the program each season. Game days are typically on three Sundays each in the fall and spring, with 2 games each day.

Adult League

CSA now sponsors both recreational and competitive adult leagues in both the spring and fall. Over 200 adults are currently participating in

Adult Leagues. Whether you are an experienced or first-time player, we offer two divisions to help match your skill level. Spring season starts in early Apr. and goes through the end of May. Fall season begins in late Aug. and lasts through mid-Oct. Game days are typically on Sat. and Wed. evenings.

Recreational Tournament

CSA has organized and hosted an annual recreational tournament every year in the fall since 1994. The tournament is open to CSA and other regional teams, and is one of the only purely recreational soccer tournaments in the region

TOPS Program

TOPS is a community based training program for young athletes with special needs. The US Youth Soccer Association, CSA volunteers and parents and families of the participants strive to provide meaningful learning, development and physical participation opportunities to those young athletes through the game of soccer.

Camps

CSA sponsors soccer camps for all ages. Camps are typically run in the summer, and are put on by players and coaches from England or other foreign countries, providing participants a unique and diverse soccer learning experience.

Coach, Player, and Referee Training

CSA hosts coaches and referee training sessions, provides coach and referee manuals and other training materials, and sponsors other activities to improve referee, coach and player development. Other activities include min-camps, clinics and training sessions put on by professional coaches for player, coach and referee development.
