For U-10 and above one of those players shall be designated as a goalkeeper. The number of players per team for games in each division is listed below. A team playing short shall be allowed to add players as the game progresses when new players arrive. If a team is not ready for play at the scheduled game time the team will forfeit the game.

Players leaving the field may do so at any point around the boundaries in order to minimize lost time.
7. A team shall not replace a player who has been sent off for misconduct (ejected/red carded). The team shall play short by the number of players sent off in that game for the remainder of that game.

Those teams accepted for participation will be placed in divisions as appropriate in accordance with their composition at the sole discretion of the Tournament Committee. This will include age groups that have 3 or fewer teams entered.

2. All games shall consist of two regulation periods determined by the Tournament Committee. Time may be changed if deemed necessary by the Tournament Committee. No overtime periods shall be played in preliminary round games. If a semifinal, final, or third-place game (U-10 and above) is tied at the end of the second regulation period, there shall be two full overtime periods of 5 minutes each. 4. The Tournament Committee reserves the right to change the duration of any game at its discretion. Games shall be considered completed upon completion of the first half of the game when play has been stopped by the Field Referee, Head Referee or Tournament Directors. The score at the stoppage of play will be the final game score if play is not resumed as ordered by the Tournament Directors.

### **LAW VIII – THE START OF PLAY**

1. If a team is not ready for play at the scheduled game time the team will forfeit the game. Extraordinary circumstances beyond the team’s control shall be considered at the sole discretion of the Tournament Directors.
2. A verified roster will be given to each coach or manager at the tournament registration. This roster will be given to the referee before each game and collected from the referee after the game. It is the responsibility of the team representative to inform the referee of the name of any individual not participating in the game for the reason of suspension. It is the responsibility of the referee to record that name (when informed) on the referee’s game report.
3. Players not on the official tournament roster cannot participate in any part of a tournament game. If a player/team is in violation, the team will forfeit the game the illegal player participated in. If it is deemed flagrant, the Tournament Committee has the option to disqualify that team from participation in future tournament games. All losses will then count as a forfeit in favor of the opposing team and against the team in violation.

### **LAW XII – FOULS AND MISCONDUCT**

1. Slide tackling is prohibited in the recreation division of this tournament.
2. Any individual who receives three stand alone cautions in separate games within this tournament shall be suspended from the next tournament game.

4. In case of any incident of severe misconduct by participants or their supporters, the Tournament Directors shall have the authority to convene a special hearing on the matter. The Tournament Committee may recommend special sanctions to the Tournament Directors including but not limited to expulsion of any individual or a group from the tournament. Incidents determined to be an assault on an official shall result in immediate suspension from all participation.
5. Harassment or insult by word or action to any official or tournament staff member by any player, team representative or spectator will not be tolerated. Rostered players, team representatives and any individuals reasonably construed to be associated with a team are subject to disciplinary action by the Tournament Committee. Team coaches shall be held responsible for the conduct of their supporters. Other non-associated spectators who create a disturbance will be asked to leave; and if they refuse, they will be escorted from the premises by legal authorities.
6. Misconduct warranting a caution or sending off of field players or uniformed substitutes prior to or during a game shall be accompanied by the display of a yellow or red card as appropriate. Misconduct by coaches, trainers or other team representatives prior to or during a game shall not be accompanied by the display of a card, but the referee shall inform the coach of the cautioning or sending off. Misconduct after the completion of the game by any participant shall be reported by the referee and may result in the assessment of a caution or sending off and associated penalties by the Tournament Committee even though no card has been displayed and verbal notification has not been given by the referee to the offender.

4. If a team is declared ineligible or if a scheduled team does not show for play, the team will forfeit the game. In the unlikely event of forfeits during the preliminary games, the forfeit shall be scored as follows:
  - (A) For purposes of awarding points, a team which “wins a forfeit” shall receive 8 points.
  - (B) If a team withdraws from the tournament voluntarily or is disqualified from the tournament prior to completion of all of its games in the preliminary rounds, each of the teams in the flight shall receive 8 points.
5. Coaches must be sure to verify scores and points awarded on the official tournament score board following the completion of a game.

  - (C) The kicks shall be taken alternately.
  - (D) If, before both teams have taken five kicks, one has scored more goals than the other could score even if it were to complete its five kicks, the taking of kicks shall cease.
  - (E) If, after both teams have taken five kicks, both have scored the same number of goals or have not scored any goals, the taking of kicks shall continue in the same order until such time as both have taken an equal number of kicks (not necessarily five more kicks) and one has scored a goal more than the other.
